Holiday Boutique Tips for a Perfect Event!

Choose Your Items:

Start by selecting your event dates. Once you've locked them in, confirm the date, time, and location with the principal and PTA. Then, reach out to us to schedule an appointment for choosing your merchandise. Shopping for and scanning your favorite items is always fun an exciting part of the process!

Your Delivery Has Arrived... Now What?

Setting up is a breeze! Your boxes are numbered based on your selected inventory. Start by opening Box #1, clearly labeled OPEN ME FIRST. Inside, you'll find everything you need for an easy setup! Running Low on Stock? No worries! We offer FREE next-day reorder delivery, and in some cases, we can even accommodate same-day orders.

After the Sale:

Once your sale is over and you have unsold merchandise, just pack everything up neatly and let us know when you're ready for pickup. We'll even count your returns at no charge!

No Risk, No Hidden Charges:

Anything you don't sell is returned to us at no cost to you! That's all there is to it -How easy is that?

Little Treasures

We supply your littlest treasures with our Little Treasures

Little Treasures Holiday Boutiques are completely risk-free and a fantastic way to raise funds, provide a valuable service, and create a meaningful learning experience for students. Through their shopping experience, children will learn:

Budgeting: I have \$5.00, and I need to buy 7 presents—with Little Treasures, they can make it work.

Independence: Making purchases without relying on mom or dad.

Generosity: Learning to spend their money to make others happy.

Self-Control: Managing \$10.00 wisely by spending \$9.00 on gifts and only spending \$1.00 for themselves.

Security: Shopping in a safe, comfortable environment.

Social Skills: Interacting with “salespeople”, making their wishes and needs known, sharing the experience with peers, and comparing their treasures.

Pride: A sense of accomplishment knowing they handled everything on their own.

You Asked...We Listened!

Checkout is easier than ever with the Little Treasures Mobile Checkout App!

Volunteers will love it!

They simply tap the price code on each item, instantly see the cost, and easily tally up the student's order.

What could be better than that?!
